

ADDITIONAL PROVISIONS FOR

VIP M-Power Value Mortgage (MCAP - 2201)

1. EFFECT ON STANDARD TERMS:

These Additional Provisions form part of the Mortgage. In the event of any inconsistency or conflict between these Additional Provisions and a term of the Standard Charge/ Mortgage Terms, these provisions amend those terms and will prevail.

2. CAPITALIZED TERMS:

All capitalized terms used but not otherwise defined in these Additional Provisions have the respective meanings ascribed to such terms in the Standard Charge/ Mortgage Terms.

3. INTEREST RATE:

Your Interest Rate is a Variable Interest Rate based on the Prime Rate and any applicable premium (or discount) to the Prime Rate as set out in the . Thereafter, the interest rate will change each time the Prime Rate changes, with no prior notice to you. Your Regularly Scheduled Payment will also change accordingly.

Your Regularly Scheduled Payment amount will change following a change in the Prime Rate. We recalculate your Regularly Scheduled Payment amount to an amount sufficient to pay the interest that will accrue to each Regularly Scheduled Payment date plus the amount of principal that has to be paid to maintain the Amortization Period of the Loan, as adjusted for any prepayments you have made. This amount will be your new Regularly Scheduled Payment amount until it is again changed following an increase or decrease in the Prime Rate.

4. PREPAYMENT PROVISIONS:

The following Prepayment Provisions are available to you each year (ie. during the 12 month period starting from the Interest Adjustment Date, and starting from each anniversary of the Interest Adjustment Date thereafter), provided you are not in default:

- **Increased Payment:** Once per year, you may increase the amount of the Regularly Scheduled Payment up to a maximum of 10%. The maximum for each payment increase is calculated using the amount of the current Regularly Scheduled Payment in effect at the time. If all or any portion of this privilege is not used in a particular year, it cannot be carried forward and used in a future year.

5. EARLY PAYOUT PROVISIONS:

You may payout the entire outstanding balance of the Loan prior to the Maturity Date:

- **Only upon the closing of a sale of the Property** to an arm's length purchaser.
- A Reinvestment Fee and Early Payout Penalty will apply.

Reinvestment Fee:

The Reinvestment Fee is \$500 in the first year of the Term, \$400 in the second year, and \$300 in the third year.

Early Payout Penalty:

The Early Payout Penalty is equal to 3 months simple interest. This is calculated by applying your current Interest Rate in effect at the time OR the current Prime Rate in effect at the time (whichever is greater), to the outstanding principal balance of your Loan, for a 3 month period.

If you request an Early Payout, you cannot exercise the lump sum and/ or increased payment privileges (outlined in section 4 of this document), until the Payout Statement expires. The calculation of the Early Payout Penalty will be based on the outstanding principal balance of your Loan.

c. If you choose to pay out the outstanding balance of your 6 Month Convertible loan during the renewal term, you will be subject to the Early Payout Penalty (which is the greater of the Interest Rate Differential Amount or Three Months Interest Cost), plus a Reinvestment Fee.
